IN THE DRAWINGS:

Attached are 47 annotated sheets of drawings which include and illustrate (in red ink) changes to FIGs. 2A through 22 (renumbered 2A through 27). Also attached is a complete set of formalized drawings (49 sheets) labeled as replacement sheets. These replacement sheets, which include FIGs. 1 through 27, replace the original sheets including FIGs. 1 through 22.

Specifically, the figures have been renumbered in order to assign a new figure number to each page of the figure when the figure contains more than one page, causing all figures except FIG. 1 and the first page of FIG. 2A to be renumbered. "FIG. 2A (Contd.)" (6 pages) have been revised to change the figure labels to now read --FIG. 2B-- through --FIG. 2G--, respectively; "FIG. 2B" has been revised to change the figure label to now read --FIG. 3A--; "FIG. 2B (Contd.)" No new matter has been added by way of the present proposed amendment.

REMARKS

All of the amendments proposed herein are presented in response to the PTO-948 (Draftsperson's Review) provided by facsimile on January 8, 2004. All of the amendments to the figures relate to the renumbering of the figures and the clarity of the figures. All of the proposed amendments to the Specification are to correctly reference the renumbered figures. It is respectfully submitted that no new matter has been added and the amendments do not affect, or surrender, any scope of any claim as originally filed.

The Applicants again request entry of the amendments as set forth herein.

Respectfully submitted,
